Re: Annual Review of Base Rates for Fuel Costs of Duke Energy Carolinas, LLC,
Increasing Residential and Non-Residential Rates
Docket No. 2019-3-E

Dear Ms. Boyd:

Enclosed for filing, please find Duke Energy Carolinas, LLC's (the "Company") Supplemental Direct Testimony and Exhibits of Kimberly D. McGee. The purpose of this supplemental testimony is to correct a misallocation of certain firm natural gas transportation and storage costs from that which was originally reflected in the Company's filing on July 30, 2019, as well as to correct for a misapplied invoice. As explained in Ms. McGee's Supplemental Direct Testimony, we are filing herewith Revised Exhibits 1, 2, 6, 7, 8, and 9. For ease of reference, these Revised Exhibits have been consolidated with the other exhibits originally filed on July 30, 2019.

In light of these late changes to the Company's proposed rates in this proceeding, the South Carolina Office of Regulatory Staff ("ORS") has requested a two-day extension to file its direct testimony. The Company therefore proposes the following adjustments to the filing deadlines applicable in this proceeding:

	Current Due Date	Proposed Due Date
ORS & Other Parties' Direct Testimony Due	August 20, 2019	August 22, 2019
DEC Rebuttal Testimony Due	August 27, 2019	August 29, 2019
ORS & Other Parties' Surrebuttal Testimony Due	September 3, 2019	September 5, 2019
Hearing	September 10, 2019	September 10, 2019

As indicated above, the hearing date of September 10, 2019 would not change. The parties to this proceeding—ORS, the S.C. Solar Business Alliance, the S.C. Energy

Users Committee, and Southern Alliance for Clean Energy / S.C. Coastal Conservation League—do not object to this revised schedule. For these reasons, the Company respectfully requests that this proceeding's timeline be amended to reflect the proposed due dates shown above.

Thank you for your consideration of this request. Should you have any questions about this filing, please let me know.

Kind regards,

Sam Wellborn
